MENTORSHIP PROGRAM COVENANT

We will make a three-month commitment to our mentoring relationship.

We will contact each other once a week and meet face to face a minimum of once a month.

We will pray for each other and ask the Lord to deepen our bond of accountability partnership.

We will spend time together, walk together through spiritual disciplines, participate in various ministry events, and enjoy other activities together.

We will make an effort to keep our relationship ongoing, consistent, and fun; we will always ask God to be a part of it and bless it.

We will make our relationship a priority, sharing openly and honestly, and set aside time for it in our schedules.

We will keep our sharing confidential—just between the two of us—unless we agree that it is acceptable to share with someone else. We will talk only about ourselves and our personal journeys.
